CORAM : V.C.DAGA, J.

DATED : 17.4.2006.

P.C. :

. Heard learned Counsel for the rival parties.

. A prayer for interim relief can only be granted in the aid of final relief. The prayer made for interim relief can hardly be said to be in the aid of final relief. Civil Application seeking interim relief is, therefore, liable to be rejected.

. Even otherwise, it will not be out of place to mention that this civil application seeking interim relief is pending since July 2003. Till today, no steps were taken by the petitioner to seek appropriate orders from the Court. This, by itself shows that the applicant itself is not very serious in obtaining interim relief. Even otherwise,

interim relief prayed for travels beyond the scope of the petition. Hence, prayer for interim relief is rejected with no order as to costs.
